Daily Report
Soviet Union

FBIS-SOV-90-245 *20 December 1990*

CONTENTS

NOTICE TO READERS: As of 2 January 1991, television sourcelines in the DAILY REPORT will reflect how a station identifies itself. In most cases, this change eliminates the "Television Service" designation in favor of the station identification as broadcast. The presence of a new television sourceline reflects this change in policy, rather than the establishment of a new station or network.

Daily Report
Soviet Union

FBIS-SOV-90-247 *24 December 1990*

CONTENTS

NOTICE TO READERS: As of 2 January 1991, television sourcelines in the DAILY REPORT will reflect how a station identifies itself. In most cases, this change eliminates the "Television Service" designation in favor of the station identification as broadcast. The presence of a new television sourceline reflects this change in policy, rather than the establishment of a new station or network.

Daily Report
Soviet Union

FBIS-SOV-90-250 *28 December 1990*

CONTENTS

NOTICE TO READERS: As of 2 January 1991, television sourcelines in the DAILY REPORT will reflect how a station identifies itself. In most cases, this change eliminates the "Television Service" designation in favor of the station identification as broadcast. The presence of a new television sourceline reflects this change in policy, rather than the establishment of a new station or network.

An * indicates material not disseminated in electronic form.
